

Trail Mix cookies

375 oven - Bake 10 - 15 minutes (we like them very thin and almost burnt - the nuts taste better)

1/4 c margarine
3/4 c applesauce
1 c brown sugar
1/4 c honey
2 eggs

Cream together

1 1/3 c flour
1/2 c wheat germ (or oat bran)
1 teaspoon baking soda
1/2 teaspoon salt
1 1/2 c rolled oats

add to creamed mixture . . . then go fruit and nuts!!!!

3/4 c dried cranberries
3/4 c mango
1 c slivered almonds
3/4 c sunflower seeds
1/3 c flax
1/4 c sesame seeds
3/4 c chipits

add to batter, mix, form cookies and bake.

Everytime I make these cookies they are different cause I add whatever I have in my kitchen pumpkin seeds, walnuts, hazelnuts, currants, dried cherries (especially good), any dried fruitwhatever!!! This will make about 12 cookies..... you are going to want to at least double the recipe. Enjoy,
Trish
